

Hi Students and Families!

Thanks so much for participating in ACT SPOTLIGHT!

Here are a few things to know before you get started:

1. Each Monday we'll post the week's activity with instructions and an example. Feel free to pick and choose which activities you'd like to participate in. We want this to be educational, but also FUN!
2. Submitting your work: of course, submitting your work or finished product is totally optional, but we would really, really love to see what you've done! And we'd love to feature your work in next week's SLO REP: THE INTERMISSION SHOW video.

When submitting, please title your video with your student's name and age so we know who it's from. Visit the ACT Spotlight page for the link to upload your photo or video to Dropbox.

3. Deadline: each week's activity is "due" by Thursday at 3:00pm in order to be featured on next week's video. Of course, you're still welcome to submit your activity any time.
4. Permission to use your photos and videos: Parents, please be aware that by submitting your student's photos and videos to us, you're giving us permission to share them with other SLO REP viewers and fans. If you DON'T want us to share your submission please let Kerry know specifically and we're happy to oblige (act@slorep.org).
5. Filming your submission: be sure to film your work in LANDSCAPE (horizontal) mode so that we can integrate your video easily into our videos. If you're filming a monologue, film from about 4-5 feet away and don't look directly into the camera. Instead, choose a point a little to the side of the camera. Please be aware we may need to edit your video in order to fit in our time constraints.

Questions? Ask Kerry at act@slorep.org
