

Tell Us About Your New Year Theatre Wishes Challenge

1. Think about the following questions:
 - What do you love about theatre? What has theatre added to your life? Be as specific as possible.
 - What are your hopes and wishes for theatre in 2021? What do you want to see, what do you wish you could work on? What are you looking forward to getting back to once we're able? Again, try to be as specific as possible.
2. Record a video telling us all about it!
3. Submit your video via the ACT Spotlight page by Thursday at 3pm to be included on the next Intermission Show.
