## Scholarships Policy and Procedures

It is the policy of the San Luis Obispo Repertory Theatre (SLO REP) to provide services within the limits of our resources to anyone who wishes to participate in our programs. SLO REP believes that no child should be denied the opportunity to participate in the performing arts because of a lack of ability to pay the tuition. Scholarships are always available to families who need financial assistance.

*If you are registering for a class and plan to submit a Financial Assistance Application, please use the "two installments + deposit" option at checkout. This will prompt you to pay a \$25 deposit to hold your place in the class. Please then send an email to Kerry ([kerry@slorep.org](mailto:kerry@slorep.org)) to let us know your application is coming. We'll put the additional installments on hold until your application has been processed.*

### To ensure fairness to all families, the following policies have been developed for granting scholarships.

1. Each family will complete one scholarship application each year, due at least two weeks before the beginning of the first program in which the child will be participating. These applications are kept in the strictest confidence.
2. This scholarship application will be kept on file and referred to, upon request, for multiple program participation within one year.
3. The Education Director will review all applications and, in consultation with the Managing Artistic Director, a scholarship amount will be determined based on individual needs. Available scholarship funds are distributed at the discretion of SLO REP staff.
4. Scholarships can be awarded at 25% 50%, 75% or even 100% of the program tuition.
5. Scholarships will be awarded for additional program participation based on an evaluation by the student's teacher, and demonstration of continued need. Students will be evaluated on attendance, evidence of individual effort and progress, and attitude. If a student exhibits lack of preparation, interest, or motivation, the scholarship may be reconsidered after discussion with the student and their family.
6. At the discretion of the Managing Artistic Director and/or the Education Director, in-kind services may also be considered to fulfill tuition requirements in lieu of formal scholarship consideration.
7. Payment plans are available by request.

### SCHOLARSHIP FUNDING

Generous scholarships are available for all ACT programs so that every child with a desire to learn can participate. These scholarships are provided through grants and gifts received from **Central Coast Funds for Children**, the **Central Coast Women's League**, the **Harold J. Miossi Charitable Trust**, and many generous individual donors.
